

### **Error Code Policy**

Trade Modifications should be allowed in case of genuine punching errors. Such trade modifications not only should be confirmed to the client who have placed the order but also be informed to the client on whose account the order has been wrongly punched, over voice recorded lines before day-end.

In the event of any error in any punching or accepting of orders from the clients or error in following instructions of the client, such error shall be immediately brought to the notice of the concerned Business Head and steps would be taken to rectify the error by taking appropriate measures/ position in the market to contain the loss.
